

MARCH! MARCH! MARCH!
F.A.W.U.
LICHTENBURG
01 SEPTEMBER 2017

JOIN & SUPPORT!!!

FAWU is calling on all its members in the Lichtenburg area to join the march in support of our members at NWK in the town. Members are aggrieved over racism, and non-compliance on wage agreements. They say the company has not granted them wage increases for the 2015/2016 year and they are therefore demanding backdated increases as the company is starting to show profit.
